Miss M^o Flynn:

Many thanks for

for

your card

Jim sure sorry

didn't get

to see you personally at the reunion

Dick came into Commonwealth

Pier a week ago Sunday. Thelma

was so excited, she was crying

& laughing. We drove down

to Camp Miles Standish, Taunton

that afternoon. how wonderful

he looked. He had even gained

a little weight. Last Tues. he

was released from Camp

Terens for a 60 day furlough.

So they will have a glorious

summer. He hasn't any

points to be discharged. He

has no idea what his new

assignment will be. They plan

To spend 3 weeks to a month in
the White Mt. - R. Winnipegaukee.
Then a trip to N. Y. C. for them.
They intend to have one glorious
time — they both deserve it.

My brother, an Ensign, is still
in the Pacific, aboard the
aircraft carrier, Long Island.
He has been into port a few
times, but his stay hasn't
been long enough to let him get
home.

It's show time, so I'll be
shoving off.

Take care, have an extra
pleasant summer, & do write
soon.

Love,
Marie
