FREE DELIVERY.

We will prepay delivery charges any where within 10 miles of Boston on purchases of any reasonable amount. We have heretofore limited the amount of such purchases to \$3, but we find that the absolute enforcement of the rule operates often to the inconvenience of customers, who are in the habit of buying even in much larger quantities. Our purpose is to make practically free delivery within the 10-mile limit, and only say "reasonable amount" as a means of protection to ourselves, but not in any way to the disadvantage of *real customers*.

We will also prepay delivery charges on \$5 orders to any station within 20 miles of Boston, on \$10 orders to any station within 50 miles of Boston, and on \$25 orders to any station in New England at Regular Retail Prices. Refined Sugars in Barrels or half Barrels cannot be included in such orders.
