SALEM STATE COLLEGE  
Salem, Massachusetts

## *FOREWORD*

Measured in terms of days, weeks, or months, four years seems a long period of time. Seen in the more meaningful context of the happiness we have shared, the benefits we have derived, the wisdom we have gained, and the ideas we have savored, four years becomes but a wink of eternity. It is our hope that the physical growth of this college has been accompanied by a parallel growth on our part — the achievement of a greater understanding of ourselves, man, and the universe.

It is this span of four years — our journey through college together — that this CLIPPER has recorded.

Waning waves will always  
Redeem some golden sand . . .  
But what is left is watered  
With evidence of the event.

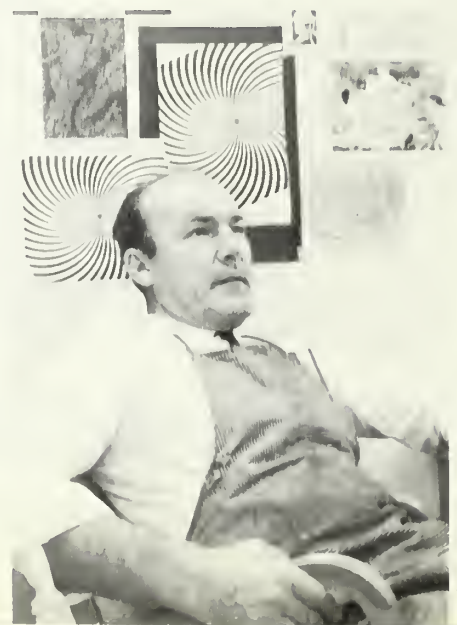

So, too, He will take of life . . .  
Leaving a little of Himself  
In those who are left behind.

## *State College at Salem*

Dear Class of 1966:

It is a pleasure to write a few words to the Class of 1966.

You have seen many academic and material developments during your past four years at Salem State. The College has strengthened programs in the arts and sciences, and in foreign languages during your generation at Salem. You have seen the growth of the College evidenced by the construction of two residence halls and the student union.

May your College call upon you to become an integral part of an energetic, grateful and loyal alumni? Salem State College is faced with the greatest challenge in its long history. The College must continue to expand and to promote quality in education. This challenge in large measure is in the hands of alumni. The time is past, if it ever existed, when the College could wait for minimum appropriations merely to operate without growth.

Salem is proud of the professional accomplishments of its alumni. The College now needs the active interest and support of its alumni in promoting its academic, cultural, and material development.

In behalf of the College, may I extend to each of you the wholehearted support of your Alma Mater in your future endeavors.

Salem State College extends to you the opportunity to take an active part in its exciting future.

Sincerely,

*Frederick A. Meier*

## CHEERLEADERS

Spirit, enthusiasm, and vitality are some of the earmarks of the Salem State College cheerleaders. These girls play a very important role in maintaining and expanding school spirit. They are a major contributive factor in the success of the athletic program at Salem, which includes soccer, basketball, hockey and baseball. The cheer-leading squad, by the way, is incorporated under the M.A.A.

Pam Green, Captain

Carol Hodge, Judy McNamara, Ruth Bibby, Geraldine O'Riley, Carol Bonfonte, Dreamer Giles, Agnes Tancreti, Cindy Small, Leslie Hoar, Cathy Monroe.

## BASKETBALL

## TENNIS

## LACROSSE

## SWIMMING

## BOWLING

All women of the college become general members of the Women's Recreation Association, but the active members, like those seen on these pages, attend or participate in at least one of the many functions and activities offered by the W.R.A. during the year.

In addition to the many opportunities for participation in recreational activities, the W.R.A. also offers a diversified social program. The sports program includes field hockey, basketball, volleyball, tennis, bowling, swimming, golf and badminton, while the social program includes the Orange and Brown Luncheon, Family Night, Ski Weekend, Camping Weekend, Sports Day, and the annual W.R.A. Banquet. Both provide the chance to become better acquainted with the student body.
