

Dear Miss M^{rs} Glyn:

I must bring you

all up to date on Dick's status. Thelma had a letter from him, written 15 May, when he arrived in France. How wonderful he felt to be free once again. While en route he sent her a cable. So Dick is expected home sometime this week. I wouldn't be a bit surprised if he were one of the fellows that landed at Staten Island yesterday. So, patiently I wait at Sampson for a telegram disclosing the homecoming of my dear brother-in-law. Prior to Dick's release, Thelma's last letter from him, was written 18 Nov. 1944.

I had a letter from George
Zoukos the other day — he is now
a Chief Pharmacist mate. Well bet
he looks mighty sharp in his
new uniform. He didn't tell
the folks at home about his
advancement & went on a
surprise visit. It was also
some part of a Greek celebration
or holiday that week-end, so
a double celebration was had.
I reckon his wife was mighty
proud of him.

Time to go to Chow Now.

I'm always happy to get the
S.T.C. news. I'm sure sorry

I can't make our reunion.

My best regards to all.

Sincerely,
Marion
