To Miss Mc Glynn

Dear Miss Mc Glynn,

I don't know whom to address this letter to but somehow, tho I may be wrong, I have a vague suspicion that you are adviser to the Defense Committee. Anyway, will you convey to the Committee my sincere gratitude for their latest package. It was indeed thoughtful of them to include the soap. While at school here we receive only \$1.00 a month (the remainder is saved for us till graduation). Two weeks ago I ran out of cash (it only takes one Saturday night) and, at about the same time, soap. Hence, my appreciation.

The date here reminds me of a more pleasant April 11 - the year 1940, my junior year at S.T.C. It was the occasion of our debate with Harvard Univ., in the audio-theatre of W.A.S. Salem upheld the affirmative on Isolation. We lost but not ingloriously. The following year we came out on top. Does that leave us even or have we debated Harvard since?

I haven't seen Danny O'M. in 4 weeks. His foot was coming along well then. We discussed many of our mutual friends of S.T.C., Steve, Barbara, et al., cautiously, of course, when it came to girls.

If you see Rhoda extend my congratulations and best wishes to her.

Remember me to all the "folks" at S. P. C., Mr. Lowrey, Miss Clark, Miss O'Keefe, Miss Burnham and many others to whom I wish I had the time to write.

Congratulations are in order too for Priscilla & Gladys. They're sure lucky. I'd have given my right arm for such a break two years ago.

I'll have to weigh anchor now as I have a problem in ballistics staring me in the face for the next two hours.

Thank you for your many letters. I wish I had more time to write. Accidently, it just occurred to me, - Danny Parks is heading for "dear old England" very shortly, if not already.

Again, thank the Committee for its thoughtfulness. Until next time -

Sincerely,
Dud
