Dear Jennie,

I received the
announcement of your
graduation, and was much
pleased to receive it. It is
obvious that the course was
hard and required both
intelligence and hard work,
so you are to be doubly
congratulated.

invited to the home first,
and went from there to the
party. A large number of
Salern students were there,
particularly those who had
been in his class. He left
for Notre Dame, Indiana on
Friday. It will probably be
eight years before he is ordained.

Do you remember Jack
Laulford - a neighbor of
ours? He is stationed at

2.
When I write to the
other men in the armed
forces that you know, I'll
pass the word along in case
they haven't heard directly
from you.

You will be interested to
know that Prulla and I
went in to East Boston to
go to Larry O'Neil's going
away party. We were

Provincetown, in the Coast Guard.

Carroll Kelly's mother was at Lanny's party. She is going out to see Carroll in service very soon. Carroll expects to be sent in to foreign service very shortly.

Thanks again for your announcement. When your address is changed, be sure to let me know. I'll notify the Defense Comm. at school, if you don't reach them directly.

Sincerely
Edna Dublyan
