Dear Miss M^cGlynn.

Begin ✓ I'd like to send you all the news, because there is a good deal to tell. There's little, though, that can be told now. I've kept busy lately with gunnery & deck watches. I broke a couple of new men in on the 20 mm. guns yesterday. The busier I keep, the happier I am; time flies by!

Yard, I've got 4 good books that I'm trying to find time to read.

You've told me to see as much as I can in England. I haven't had time for sight-seeing, but I've seen enough to satisfy me. This is a great little country, but the people don't know how to take care of it ✓

How are things going at Salem? I may get back there again some day. Still writing for my news letter! I won't get any mail for a while - but it's worth waiting for. Love
 Bab.
