DEDICATION

In dedication, we thank Dr. J. Herbert Burgy for his guidance and counsel during his stay here at Salem State College. His total commitment to life is demonstrated by his ability in the classroom. His whole way of teaching revolves around giving—giving his time, his materials, and, especially, himself. Whatever road we may travel, whatever itinerary fate has mapped out for us, we feel better prepared for having known and worked with him.

DEDICATION

The 1968 CLIPPER is dedicated to Mr. Stephen Panosian. His enthusiasm and devotion have brought art and culture into the realm of students' appreciation. This same enthusiasm and devotion extends beyond the classroom, affecting every facet of existence. Our existence has been enriched by our experience with him; future reflections will make our association with him even more memorable.

Rather Leads You To The Threshold Of Your

FREDERICK A. MEIER
PRESIDENT

The Commonwealth of Massachusetts

State College at Salem

Salem 01970

Dear Class of 1968:

Since the Fall of 1964, when you entered Salem State College as the Class of 1968, it has been a great pleasure for me to join my efforts with those of the officers and members of the class toward a greater Salem State College. You have been part of the growth of the college in numbers. More important, you have been able to choose among programs of study that have been broadened and deepened.

A college is known by the success and activity of its graduates. By the same token, a college graduate is measured to a degree by the development and reputation of his alma mater.

Each of you, as a possessor of a baccalaureate degree from Salem State College, is the holder of a great gift; your fellow citizens have faith in you and look forward to your contribution as educated men and women in a free society. As a concomitant of the mastery of some aspects of the arts, sciences and education, there is, I feel sure, in each member of the Class of 1968, the sense of gratitude and appreciation. Over the years you will express this feeling in many ways by word and action. Believing that your four years of study have introduced you to a life-long pursuit of learning, I wish you happiness in your life's work. Throughout your lives I urge you to participate as loyal sons and daughters of Salem State College in the support of public higher education.

I express the best wishes of the faculty and alumni, as well as my personal best wishes to each member of the Class of 1968.

Sincerely,

Frederick A. Meier

IN MEMORIAM

Mr. Anthony P. Winfisky
May 3, 1924–September 15, 1967
Associate Professor
Art Department

Mr. Winfisky, a man who thought of others, gave unstintingly of his time and effort, becoming our friend and adviser. His devoted interest, his wise counsel, and loyal support were invaluable. His enthusiasm for youth, and his confidence in human nature, instilled in us the courage to meet the challenges that determine our future. Salem State has lost a gifted teacher, and we all have lost a sincere friend.

The Soccer season did not live up to expectations. Plagued by injuries, the team never jelled as the players were shifted from position to position to fill gaps. Along with injuries, the front line also suffered from an inability to score. The highlight of the season was the 3-2 upset victory over Keene State.

HOCKEY

OUTSTANDING HOCKEY ATHLETES

Salem State's Production Line—Ben Hedblom (6), Skip Arvilla (7), Jerry Driscoll (8), and Coach Urbanski.

Skip Arvilla

A top personality on the ice, Skip Arvilla holds the record for the most goals, 26, and the most points, 49, in one year. With the end of the Hockey season, Arvilla won recognition by becoming the highest scorer in the history of Salem State Hockey. His outstanding scoring punch will surely be missed on next year's team.

Jerry Driscoll

Jerry Driscoll has undoubtedly earned the title of the "Unsung Hero" for the last four seasons. His invaluable play is getting the puck and then setting up his teammates to score. Versatility is the best description for Driscoll for he is one of the few players in collegiate hockey who has the ability to play any position on the ice.
